These miniature laser cut signs bring clear, professional labeling to even the smallest beverage stations. Their reduced footprint fits easily on any countertop, giving you the space you need to create the perfect display. With words to identify everything at the coffee station and more, you can be certain you have everything you need. Mix and match words and finishes across your setup to help guests quickly identify what they need in style.

Clearly distinguish lighter dairy choices with this scaled-down 1-1/2" L stainless steel laser cut sign. With "SKIM" plainly displayed, this sign neatly labels skim milk while fitting comfortably on narrow ledges and small-format coffee carts. Pair with the other dairy options in the line to ensure an organized coffee station.
