These miniature laser cut signs bring clear, professional labeling to even the smallest beverage stations. Their reduced footprint fits easily on any countertop, giving you the space you need to create the perfect display. With words to identify everything at the coffee station and more, you can be certain you have everything you need. Mix and match words and finishes across your setup to help guests quickly identify what they need in style.

Make plant-based options stand out on the smallest surfaces using this 2-1/2" L "ALMOND" laser cut sign. It will allow you to communicate clearly on slim counters, mobile carts, or other tight surfaces. Pair it with the other laser cut signs in the line to finish the look.
