These miniature laser cut signs bring clear, professional labeling to even the smallest beverage stations. Their reduced footprint fits easily on any countertop, giving you the space you need to create the perfect display. With words to identify everything at the coffee station and more, you can be certain you have everything you need. Mix and match words and finishes across your setup to help guests quickly identify what they need in style.

Make it easy for guests to find their favorite brew with this petite 2-1/8" stainless steel laser cut sign. The word "COFFEE" is featured boldly, allowing effortless identification that fits comfortably on narrow shelves, tight counters, and small cafe tables. Pair with the rest of our mini signs for a cohesive look.
