These miniature laser cut signs bring clear, professional labeling to even the smallest beverage stations. Their reduced footprint fits easily on any countertop, giving you the space you need to create the perfect display. With words to identify everything at the coffee station and more, you can be certain you have everything you need. Mix and match words and finishes across your setup to help guests quickly identify what they need in style.

Add a polished touch to your beverage setup, even in limited space, with this 2-1/8" L stainless steel laser cut sign. It features the word "CREAM", keeping your cream pitcher clearly labeled on small side stations or shared tabletops. Pair with the rest of the mini signs to create the perfect aesthetic.
