These miniature laser cut signs bring clear, professional labeling to even the smallest beverage stations. Their reduced footprint fits easily on any countertop, giving you the space you need to create the perfect display. With words to identify everything at the coffee station and more, you can be certain you have everything you need. Mix and match words and finishes across your setup to help guests quickly identify what they need in style.

Keep your beverage service organized in tight spaces with this miniature 3" L stainless steel laser cut sign. Featuring the words "HOT WATER", this sign neatly identifies hot water dispensers on crowded counters, breakfast buffets, or self-serve stations.
