These miniature laser cut signs bring clear, professional labeling to even the smallest beverage stations. Their reduced footprint fits easily on any countertop, giving you the space you need to create the perfect display. With words to identify everything at the coffee station and more, you can be certain you have everything you need. Mix and match words and finishes across your setup to help guests quickly identify what they need in style.

Highlight classic dairy options without sacrificing space using this 1-1/2" L stainless steel laser cut sign. The word "MILK" is plainly displayed so guests can identify options at a glance, whether it's placed on a compact credenza, tiered risers, or tight countertops. Pair with the rest of the mini signs to ensure a consistent look.
