These miniature laser cut signs bring clear, professional labeling to even the smallest beverage stations. Their reduced footprint fits easily on any countertop, giving you the space you need to create the perfect display. With words to identify everything at the coffee station and more, you can be certain you have everything you need. Mix and match words and finishes across your setup to help guests quickly identify what they need in style.

Keep hot water clearly labeled on crowded counters with this 3" L black laser cut sign. It delivers crisp readability that works perfectly on small beverage stations, tea bars, and shared workspaces. Pair with other signs in the line to ensure a cohesive aesthetic.
