These miniature laser cut signs bring clear, professional labeling to even the smallest beverage stations. Their reduced footprint fits easily on any countertop, giving you the space you need to create the perfect display. With words to identify everything at the coffee station and more, you can be certain you have everything you need. Mix and match words and finishes across your setup to help guests quickly identify what they need in style.

Showcase oat milk on the smallest stations with this 1-1/4" L black laser cut sign. With the word OAT in bold letters, you'll bring clear, modern labeling to tight buffet lines and office nooks. Pair with the rest of the signs in the line so every option has a label.
