A beautiful mirror finish on these servers reflects nicely on whatever foods they contain. Pretty handles make transport easy, too.

Serve a delicious side, a small soup, or even bar snacks in this gorgeous mirrored 18 ounce stainless steel balti dish. It is a beautiful way to serve that offers up durability and versatility too. It is oven-safe up to 500 degrees, which means you can cook and serve your culinary creations straight from the oven with ease. Pair it with more of our stainless steel accessories – like our stainless steel footed sherbet dishes – for a glittering look.
